Crafted from solid WOOD , the heart of this piece lies in its base, a sculptural ensemble of individual wooden planks that stand as a testament to meticulous artistry.

Finished in a natural hue, the wood's character takes centre stage, whispering tales of forests and time. END TABLE takes on the role of a gathering place, a piece that brings warmth and a sense of belonging to any space.

Lift when moving to avoid damage to base or legs. Wipe clean with a soft, dry cloth. To protect finish, avoid the use of harsh chemicals or household cleaners. Hardware may loosen over time; periodically check to make sure all connections are tight.
